## WHY

Be so careful in all the details of a real estate transaction and yet neglect the question of **TITLE?** Because it is largely a matter of opinion, anyway. This Company issues a regular policy of Insurance instead of an opinion.

SLOAN DRUG COMPANY

## "NORWAYS" Dr. Sterne's Sanatorium for Nervous Diseases .... No. 1820 East Tenth St. (Facing Woodruff Park), Indianapolis, Ind.

SANATORIUM: CONSULTING HOURS, 2 TO 4 P. M. VISITING HOURS, 3 TO 5 AND 7 TO 8 P. M. TELEPHONE 290.  
CITY OFFICE: NEWTON-CLAYPOOL BLDG. HOURS, 10 TO 12 A. M., EXCEPT SUNDAY. TELEPHONE 292.

"NORWAYS" is strictly a sanatorium for the care and treatment of the sick. It is not a place for persons in search of amusement. The institution is composed of separate buildings, and is thoroughly equipped in every particular. The grounds are extensive and beautiful. The cuisine is excellent. Every method of treatment of known value is employed by skilled attendants. Patients suffering from all forms of nervous disease, rheumatism, kidney troubles, the various drug habits, are accepted. The earlier stages of tuberculosis and other pulmonary maladies and those in need of the "rest cure" are especially treated. For mental affections an entirely isolated building is used. Such patients never come in contact with other patients.

TERMS.—All charges are payable weekly, one week in advance. They range from \$25 to \$50 per week, depending upon necessities of treatment and location of room. Regular sanatorium rates include board, room, nursing, treatment and physician's fees. There are no extra charges, unless a special nurse (\$10 to \$15 per week) is demanded.

The first complete examination is \$10, whether a patient remain in the institution or not. Out-door patients will be charged according to the treatment employed.

CLOTHING.—Patients should wear comfortable clothing. No finery is advocated. Each person should have a bath or lounging robe.

Every patient must adhere to the printed rules and regulations of the sanatorium. These are posted in proper places about the buildings. No exception will be made to them in any case.

N. B.—No person should be brought to the institution who is too weak to be safely removed from home. For further information apply to the Director.

## WHY

Be so careful in all the details of a real estate transaction and yet neglect the question of **TITLE**? Because it is largely a matter of opinion, anyway. This Company issues a regular policy of Insurance instead of an opinion.

## WHY

Be so careful in all the details of a real estate transaction and yet neglect the question of **TITLE?** Because it is largely a matter of opinion, anyway. This Company issues a regular policy of Insurance instead of an opinion.

**W**E RECEIVE many complaints from our patrons to the effect that they are bothered so much by **BORROWERS**. These parties are not the private citizen nor the stranger in the city, who steps in, looks at the Directory and goes out, but merchants, business and professional men, who need a Directory every day of the year, yet who are too close-fisted to buy one.

These same individuals are the ones that borrow your Directory "just for a minute," which, in the majority of cases, means a day or perhaps a week, unless you remember that they have it and send for it.

These same borrowers will tell the Directory canvasser that he has "no use for a Directory," that he "knows everybody," and, vice versa, "everybody knows him."

## DIRECTORY

## BORROWERS

**W**E RECEIVE many complaints from our patrons to the effect that they are bothered so much by **BORROWERS**. These parties are not the private citizen nor the stranger in the city, who steps in, looks at the Directory and goes out, but merchants, business and professional men, who need a Directory every day of the year, yet who are too close-fisted to buy one.

These same individuals are the ones that borrow your Directory "just for a minute," which, in the majority of cases, means a day or perhaps a week, unless you remember that they have it and send for it.

These same borrowers will tell the Directory canvasser that he has "no use for a Directory," that he "knows everybody," and, vice versa, "everybody knows him."

# DIRECTORY BORROWERS

**W**E RECEIVE many complaints from our patrons to the effect that they are bothered so much by **BORROWERS**. These parties are not the private citizen nor the stranger in the city, who steps in, looks at the Directory and goes out, but merchants, business and professional men, who need a Directory every day of the year, yet who are too close-fisted to buy one.

These same individuals are the ones that borrow your Directory "just for a minute," which, in the majority of cases, means a day or perhaps a week, unless you remember that they have it and send for it.

These same borrowers will tell the Directory canvasser that he has "no use for a Directory," that he "knows everybody," and, vice versa, "everybody knows him."
